Lisa Green
Lawyer and TV Legal Analyst

Download EBOOK
Television legal analyst and attorney Lisa Green offers something new: a witty, direct, and empowering legal guide for women, filled with accessible information they can employ to understand and respond to common legal issues throughout their lives, from dating, marriage, and kids to jobs, retirement, aging parents, and wills. In On Your Case, Lisa Green finally fills a gap in women's bookshelves with a thorough, compelling, and occasionally hilarious guide to the range of legal issues women can expect to navigate in their busy lives. Leveraging her professional experience as a lawyer and her personal experience as a wife, ex-wife, mother, and daughter, Green explains common, even complicated legal issues in practical, easy-to-understand terms. She uses court cases and vivid personal anecdotes to illustrate how readers can make smart decisions when problems arise. And legal problems will arise, Green counsels, so women need to get smart and get ready. In her warm, inviting voice, Green shares guidance on: Relationships: online dating, pre- and postnuptial agreements, engagement, and marriage Separation and divorce: splitting without anxiety, child custody and support, pet custody disputes Babies, children, and teens: pregnancy and adoption, advocating for a special-needs child, misbehaving teens Work: employment and household help Domestic violence Midlife and elder care: wills, medical decisions, and power of attorney Legal help: hiring a lawyer, DIY As Suze Orman demystified personal finance for women, Lisa Green now does the same for the world of law. With On Your Case, Green helps you take care of yourself, your assets, your family, and your career and maintain control of your life.

Great information every women needs to know

If for no other reason that its chapter (#20) on "Your Misbehaving Teens", probably every parent would benefit from reading this book. It starts with a list of 25 common mischiefs that teens are apt to get up to (quite a few of which I've heard my friends who are parents mention having encountered), then suggests a way for parents to prepare themselves for such eventualities, as well as how to educate their children about the hazards in advance. There are many other highlights in the book as well, but this chapter should win an award. This book is a valuable resource for anyone at any age. I could imagine it becoming a best seller.

Everyone should read this. I'm a financial planner who believes that money plans requires legal smarts. This is easy to read and told via real cases. The section on divorce is A MUST READ!

This book is a powerful tool. It's a trusted source of information for women who want answers to key "life" legal questions. It's clear and easy to read - and demystifies the legal system. I am thrilled to have it on my shelf and will be sharing it with my friends.
