WICKED LIMERICKS

Synopsis

AN unabridged collection of 320 ribald and rib-tickling limericks, all new and previously unpublished. Few of them can be described as clean -- but the best limericks seldom are. If you like your limericks to be witty and vulgar, funny and dirty, you will certainly like these. While most of these verses are rude, some, I admit, a bit crude, I'm sure they'll amuse you. And even enthuse you, unless you're a straight-laced old prude.

Customer Reviews

This one made me laugh. They may be wicked and most of them are naughty but it was very amusing and I woke my husband while reading in the middle of the night more than once.

A mixed bag, with some fairly clever limericks, but all too many not particularly funny or clever. There are better collections out there.
