Techniques And Secrets Do you wonder about any of the following: -Where do I start with improving my credit? -What if I have serious credit issues like a foreclosure or bankruptcy? -How can I fix my credit without spending a lot of money on lawyers or credit repair specialists? -How can I increase my credit enough to buy a car or a house? -I just need to raise my score 50 points - is there a fast, easy way to do that? -How do I deal with specific issues like late payments, repossessions, unpaid student loans, short-sales, judgments, unpaid medical bills, bankruptcies, collection accounts, tax liens, wage garnishments, or loan modifications that are holding me back?-My credit is rock bottom, absolutely destroyed, and embarrassing â€” is there any hope (the answer is YES)? If you answered yes to any of these questions then it is important to know what currently works in credit repair.

DISCOVER: Credit Repair Strategies That Work In 2016 Knowing the world of credit repair will empower you to take charge of your life. It will position you to live a life of financial freedom. But it is not about the â€œweird little tricksâ€• that the credit repair gurus claim, or sell. For instance, many credit gurus sell their credit repair advice by claiming they can raise your credit score overnight, or in 48 hours. In some cases they can, but if not done correctly, there is a high probability that the spike will be short lived and your score will drop again as quickly as it rose, with no long term improvement. Sometimes these tricks backfire or are outdated, and can actually damage your credit and initiate a fraud alert on your account by the credit bureaus! Written for the average person, this book, â€œCredit Repair Secrets, The Complete Credit Score Repair Book,â€• gives you a complete and detailed look at FAST, EASY, and PROVEN techniques and strategies that work in

2016. INSIDE: The Truth About Improving your Credit Score In 2015 Inside this book you will get easy explanations and proven actionable help that answer the following questions: -How can you get a FREE no-strings-attached credit report? -What impact can a credit score have on your life? -What is in the credit report and what does it mean? -What is recorded about you in the credit report and how long will it stay on your report? -How can you dispute destructive information found in your

credit report?-How can you rebuild your credit from the ground up? -How can you fight negative information that resulted from late payments, repossessions, unpaid student loans, short-sales, judgments, unpaid medical bills, bankruptcies, collection accounts, tax liens, wage garnishments, loan modifications and others?Credit repair is constantly evolving: You need a strategy to get yours to sky rocket.ARE YOU READY TO GET RESULTS WITH YOUR CREDIT STATUS?Download now and GET STARTED TODAY. Author Craig Randall (aka The Credit Repair Coach) is not only the author of this book CREDIT REPAIR SECRETS (he has another excellent book to his credit - 100 POWERFUL AND PROVEN MONEY MAKING IDEAS: PROVEN INCOME GUIDES), but he also is a successful entrepreneur and business owner. Starting early, his first business was a mail order business while still in high school. He attended UCLA, climbed the corporate ladder until the top rung broke with the economic disaster and instead of seeking other positions he started his own business. Wisely he began

speaking to hundreds of small and large business owners, going to the source of success as it were. The facts he learned there lead to his owning two business and being the sort of wise and compassionate teacher he is, he shared his steps in his previous book mentioned above. But what Craig Randall shares in this solid volume is the topic that hangs like a cloud over most of us in this current economic chaos - how to deal with bad or weak or could be better credit scores. From his personal experience he shares how his best intentions in starting a business required a startup loan from a bank - and that is when he became acquainted with all the manifestations of a bad credit score - that miserable number that reflects late payments, closed accounts that maintain a small balance, unverifiable error addresses, etc - 'the list of ways my credit score could affect my life was endless.' So, Randall's been there, done that, and is determined in this book to teach us how to avoid that level of humiliation - by energetically teaching us how to repair our credit scores, methods that 25 years of researching, testing and proving that they work.
