Customer Reviews

The total price (w/shipping & taxes) was $12.48 for this puzzle book. Ballpark, that's less than $0.07/each per puzzle. Not too bad for entertainment in these times (not being that "clever", I tend to get more for my money since it probably takes me longer to solve them). There are "Classic", "Daily" and "Challenger" puzzles and "Answers". I'm older and I like the fact that the puzzles are large print so I don't need reading glasses while I'm solving them. I would also highly recommend the Jumbo Jumble, "A Big Book for Big Fans" which has 500 puzzles. I just completed it recently. It was a gift from my son and think it ran him about $20.00 (not including shipping & taxes). That's about $0.04/per puzzle. Hope this "review" is helpful.

As I sit at work some days.................BORED in slow times. I do the jumble from the local paper. When I discovered that there could be a HUGE book of jumble I jumped on it. It was at my house in less than 4 days..........Quick delivery and came as described. Would recommend this seller to anyone
I got this for my son in law for Christmas.....He loves jumbles. On New Years Eve we all sat around and worked the puzzles...so much fun and laughter!! I rate this high because it brings people together for fun or just a thing to do when you are alone and want to keep busy. Love it! I am going to get one for me now...

i had been looking everywhere for a jumble book and finally found some on .. this one looked cool so i ordered it for a gift and it's perfect!! each page has a different puzzle with the picture just like on the cover, great price for a great book..

I used to get these puzzles in my local newspaper. Now it's great to get them in book form. I can do as many per day as I want. I've been hooked on these word scrambles for years. They're goofy, and they make you think.

I purchased this for my 90 yr. old Mom who does the daily local newspaper "jumble" - we were going on a road trip (without newspapers) so it was perfect for her! Large clear print, portable, always there for her to engage in/enjoy on her own schedule.

I love doing jumble and 7 little words puzzles. I am retired and these types of activities help keep my mind sharp. Good activities for rainy or snowy days. Something to do in addition to reading and watching TV.

This product is perfect for restoring your Eureka vacuum to full performance!! The two filters fit perfectly at a fraction of the cost of the name-brand. I highly recommend this product for your vacuum!!
