I read "Healing Through Humor" by Charles and Frances Hunter. Since I enjoyed it, I decided to order "Laugh Yourself Healthy" by the same authors. The covers and titles of the books are different, but the chapters and jokes inside are identical. If you order one book, don't order the other.

My mom has been really not feeling well and just has Hip Surgery.. She has been through so much lately..This book made her laugh and she enjoyed it so much.. thanks so very much.Julie Jenkins

I believe we should have a healthy laugh. When I get down I have books that give me a laugh to cut the problem. It gets your mind off of what every is giving you stress and a chance to look on the better side. I just know God must laugh at the things we worry about and wonder why we do not look to Him first.

I was seeing a patient a couple of weeks ago and she scolded me saying that she was trying to feel sorry for herself, but she couldn't because I kept making her laugh. Great book for "patients" and other people with the usual life issues and circumstances. If you can't laugh at yourself and at life it's pretty serious. :)

I bought this for my wife, because she needed some humor in her life, but the jokes were lame, and the cure never worked. I think this is a joke book written with a religious bent, like the things you read in church bulletins. If that's your thing, okay, but we're a little more risque in our humor.

Received as a gift and loved it so much I bought it for my minister son.

I believe we are healed if we laugh out loud. I had a bout with cancer and being vegan and looking at funny movies or reading belly laugh jokes did the trick. I've been cancer free 29 years.

I've thoroughly enjoyed all the books in this series. They never fail to put a smile on my face! Norman Cousins talked about the healing power of laughter. He's right!
