Winner's Guide To Greyhound Racing

Synopsis

This book shows first-time enthusiasts and experienced players how to correctly analyze and play the dogs so that they can cash in and consistently win money like a pro. In addition to all the basics, Prof. Jones reveals five essential strategies that can be used individually or in unison for a powerful approach to making money. You'll learn how to evaluate class, speed, effective grade, running style, recent form, and about the importance of kennel and bumping during a race. With one read, you'll know how to identify the best dogs and make the most profitable bets.

Customer Reviews

This is one of the best book on analyzing the greyhound's I have read. It took me a little while to really understand what the author was saying but now it all make sense. If you are a fan of wagering on the dogs this book will show you a way to look at the races in a different way. I was well pleased with this book.

Good read and to the point, as a handicapper we all need this from time to time
