I really didn't know John Wayne/John Ford's "The Horse Soldiers" was based in fact. The best line from the movie: The coffee will taste better if you move the latrines downstream. I wonder if someone actually said that. I haven't finished the book yet. Here's hoping I find out.

Bought for a class. Happy to find it at a good price.

Everything about this purchase process went as well as I expected. I am satisfied with the transaction and plan to do more in the future.
