Emanuel Law Outlines: Evidence (The Emanuel Law Outlines)

Synopsis

The most trusted name in law school outlines, Emanuel Law Outlines were developed while Steve Emanuel was a student at Harvard Law and were the first to approach each course from the point of view of the student. Invaluable for use throughout your course and again at exam time, Emanuel Law Outlines are well-correlated to all major casebooks to help you to create your own outlines. Sophisticated yet easy to understand, each guide includes both capsule and detailed explanations of critical issues, topics, and black letter law you must know to master the course. Quiz Yourself Q&As, Essay Q&As, and Exam Tips give you ample opportunity to test your knowledge throughout the semester and leading up to the exam. Every title in the series is frequently updated and reviewed against new developments and recent cases covered in the leading casebooks. Emanuel Law Outlines provide a comprehensive breakdown of the law, more sweeping than most, for your entire study process. For more than thirty years, Emanuel Law Outlines have been the most trusted name in law school outlines. Here's why: Developed by Steve Emanuel when he was a law school student at Harvard, Emanuel Law Outlines became popular with other law students and spawned an industry of reliable study aids. (Having passed the California bar as well, Steve Emanuel is now a member of the New York, Connecticut, Maryland, and Virginia bars.) Each Outline is valuable throughout the course and again at exam time. Outline chapters provide comprehensive coverage of the topics, cases, and black letter law covered in the course and major casebooks, written in a way you can easily understand. The Quiz Yourself Q&A in each chapter and the Essay Q&A at the end provide ample opportunity to test your knowledge throughout the semester. Exam Tips alert you to the issues that commonly pop up on exams and to the fact patterns commonly used to test those items. The Capsule Summary an excellent exam preparation tool provides a quick review of the key concepts covered in the course. The comprehensive coverage is more sweeping than most outlines. Each Emanuel Law Outline is correlated to the leading casebooks. Every title is frequently updated and reviewed against new developments and recent cases covered in the leading casebooks. Tight uniformity of writing style and approach means that if you use one of these guides, you can be confident that the others will be of similar quality.

Book Information

Series: The Emanuel Law Outlines

Paperback: 768 pages

Publisher: Aspen Publishers; 7 edition (September 19, 2010)

Language: English

ISBN-10: 0735590427

ISBN-13: 978-0735590427

Product Dimensions: 8.5 x 1.2 x 11 inches

Shipping Weight: 3.1 pounds

Average Customer Review: 4.3 out of 5 stars [See all reviews](#) (9 customer reviews)

Best Sellers Rank: #609,566 in Books (See Top 100 in Books) #159 in Books > Law > Criminal Law > Evidence #1675 in Books > Law > Rules & Procedures #4836 in Books > Textbooks > Law

Customer Reviews

Couldn't ask for better summaries and reviews of subjects. I should have read this at the start of the semester instead of only at the end.

All my professor cared about is the federal rules of evidence. This study guide talks at length about common law, and the federal rules are only discussed in this book as they relate to the common law. I do not recommend this book if your class focuses mainly on the federal rules. My class used Evidence, 3d (University Casebooks).

When I am making my own outlines, I refer to Emmanuels in every class they produce an outline. The Evidence Outline is well organized. I love the capsule outlines. It's like an annotated table of contents with cross-tabs to a more detailed outline.

I got an A on the exam in a very difficult class. True, there is a lot of information to digest but that is because Hearsay alone is about 150 pages. As another reviewer wrote, there is some common law stuff in the book which adds to the length but if you are only required to know the FRE, then just skip over those areas. Even if you read them, the common law stuff is there for a reason and can usually help you to understand the federal rule a bit better. Either way, start reading this a few weeks before the exam and you'll be fine.

This book is helpful if you commit to reading it on Day 1 of the semester. There is an enormous amount of information and at least 75% of the cases you go over in your class are probably also briefed in this book. However, the book spends just as much if, not more time, explaining common law than the Federal Rules of Evidence. I can't speak for other schools, but I only needed to know

the FRE and was not expected to know the common law. I think on the bar exam, the examiners also use the FRE as the barometer for measuring whether evidence is admissible or inadmissible. It was sorta annoying to read 3 pages on the common law, and then have the author basically contradict everything you just read when he explains the FRE. For efficiency, the author should have devoted maybe a little time to the background of the FRE, in citing common law. But it's too much to know the common law, the exceptions to the common law in certain jurisdictions, the FRE all in one chapter. Also, every case cited uses the FRE as the test in determining what evidence shall be admitted. Since everyone who buys these books are law students, I'd prefer something more tailored to the needs of a person preparing for a final than something that has information purely for didactic purposes.
